

How the Diploma Programs Work

The Diploma Programs are **self-paced** programs comprising of **5 modules**, featuring **online coursework and interactive assignments**. This framework enriches each stage of the service-learning experience, providing deeper context and meaning.

Pre-Trip Learning	Immersive Practicum	Reflection & Assessment
Modules 1-3 In the introductory modules, students learn the essentials of global citizenship and prepare for their volunteering placement.	Module 4 WildChina Education facilitates meaningful on-the-ground service experiences that allow students to support real community needs.	Module 5 After completing the service project, students make meaning of their experiences and deepen their learning through reflective essays.

Every school is different — so we’ve made the Diplomas flexible.

The Diploma modules can be run entirely online for students to complete independently, or they can be delivered as an after-school program that fits neatly within a school’s existing co-curricular timetable.

There are three pacing models:

Model	Duration	Weekly Contact Time	Best For
Semester Model	18 weeks	2 hours/week (one 2-hour session or two 1-hour sessions)	Standard school semesters or long CAS cycles
Term Model	9 weeks	3.5 hours/week (two 1.75-hour sessions)	Pre-departure trip preparation
Fast-Track Model	4 weeks	7.5 hours/week (three 2.5-hour sessions)	Short intensive or holiday club
